Tips en trucs

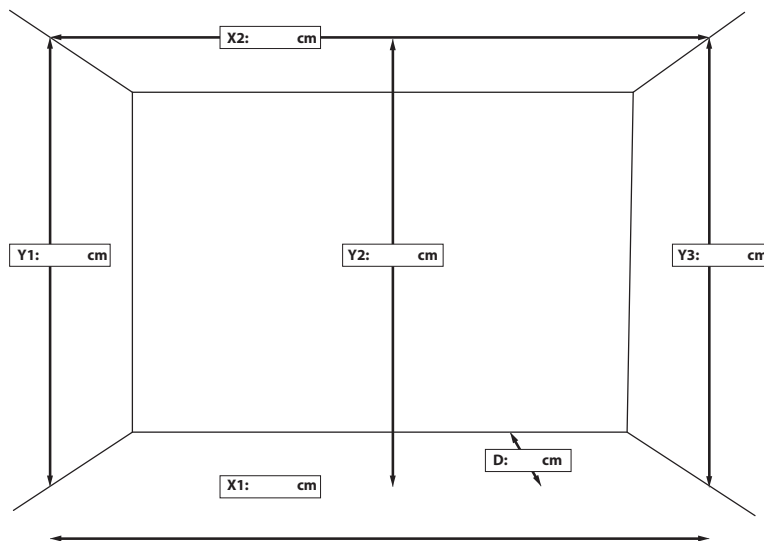

Tips and tricks

01 Gebruik zeepsop om de plastic strip gemakkelijker in de onderrails te schuiven

Use soapy water for easier installation of plastic list in the bottom rail

02 Gebruik een goede ijzerzaag met nieuw zaagblad voor een mooi resultaat

Use a quality hacksaw with a new blade for easier / nicer cuts

03 Sommige verstekzagen zijn ook handig voor snelle en nauwkeurige zaagsneden

Some miter saws are also useful, with fast / precise cut

04 De bovenwielen moeten goed vast zitten - je kan hiervoor lijm gebruiken

Top wheels should sit tight - You can use glue
